

शिवरी

By the Daksha Sheth Dance Company

A quintessential expression of the weavers' imagination, talent and skill...

Kashmiri

has been the jewel of the Indian Handloom Industry.

SARI-the show, highlights the stages in the journey from the cotton pod...

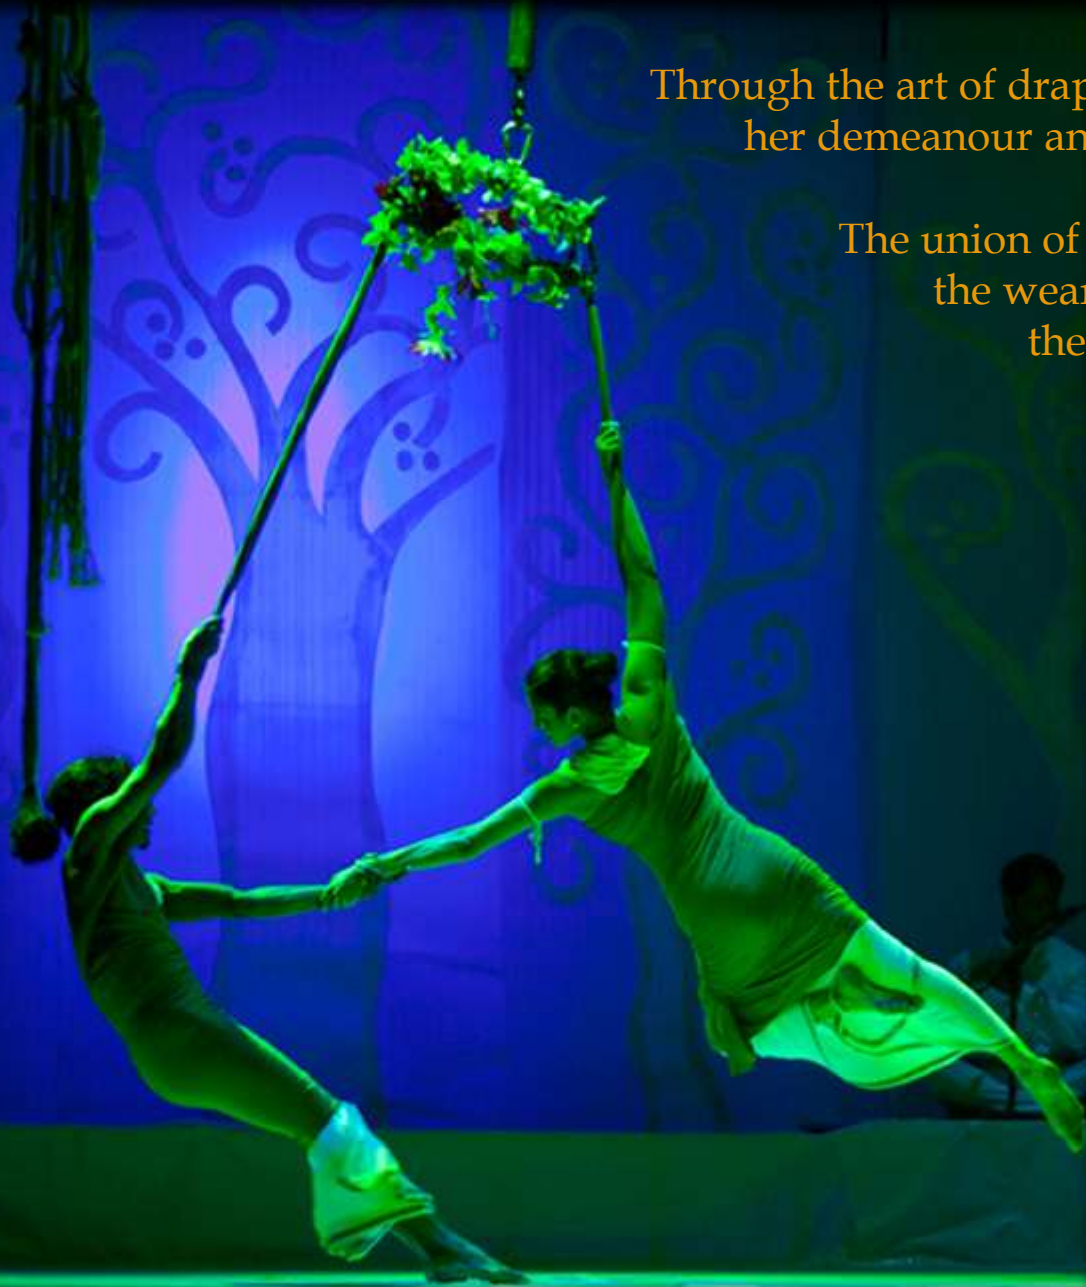

...to a magnificent fabric,
draped in a range of wearing styles.

Through the art of draping, a woman reveals her demeanour and her regional identity.

The union of the Sari and the wearer exudes the sensuality of dance.

Immerse yourself in this celebration of the creation of this unique drape...

...in constant play with the body,
both in stillness and in movement.

“Astonishing artistry,
suppleness and energy
make ‘Sari’ a timeless
tableau with a soul.”

Lalithaa Krishnan,
The Hindu, 26th oct 2012.
